“ *It's still hard to believe that you're no longer here with us & though we didn't get as many years with you as we would have liked, you embraced me, my siblings & all of our children from day one. I'll appreciate the Love you had for our mother as well as your families love and support they've showed her during this difficult time. Your presence will be missed & most of all your one of a kind laugh. You may be gone but never will you be forgotten. We miss & love you Anthony (Pops)*

“ *When tragedy strikes we often ask WHY? Let us remember that the day Anthony was born, God assigned this day to call him home, to answer the WHY. He was only on loan here from God to bless us all by touching our hearts and depositing little memories in our minds to call on for just a time as this. Who can forget his unique laughter and his festive spirit? He left a piece of himself here in all our hearts and a whole lot of memories. Rest in peace now and may God comfort us all.*

I have lost a lifetime friend 'God bless this family. I met him when he was 17 years old. And the day before I moved to California 'I saw him and that's fine with me. Wish I could be there "but my heart is in Kalamazoo.
