“ Miss Ashley will be missed sooo greatly.. I have known Ashley since she was born and I have known her family since 1972. Ashley was such a beautiful young lady with a beautiful heart..smile...and spirit. She was always so full of hugs and telling you that she loved you...She treated my children and her friends especially on Lulu as her siblings although they weren't related by blood and called us Auntie or Uncle.....Ashley I know you are in a better place now. God has planted another beautiful flower in His Garden.. I am praying for Helen and Ashley's children as well as the Family...which we have known since the early 70's. They have always been family to us and Ashley always showed the true definition of family because she loved hard and she loved everyone. I am going to miss you Ashley and that beautiful smile....fly high Angel...you have gained your wings.....
