“ *My heartfelt sympathy go out to the family of Barb. I first knew Barb from the 4th-8th grades and through Girl Scouts. When we reconnected after 45 years, I had the pleasure of picking her up at the Union Train Station in downtown Chicago. We then spent the next day or two "playing tourist" and snapped photos of some of the wonderful sights of the city. When we teamed up with two other classmates it further enhanced and celebrated a wonderful, fun-filled reunion of great friends. I'll remember her and Vicky Anderson and I sitting out on my patio in Lake in the Hills and us going thru some (!) wine, laughing and crying about our journey's in life that brought us to that moment in time. Barbara was and always will be a beautiful woman inside and out. Such a beautiful spirit, loving and caring spirit with so much love to share. We will miss you, Barb, but we will be reunited again and maybe even share a glass of wine together. Continued prayers for healing are sent to the family and friends who knew her. -Kay Clark*

“ To Barb's Family,
You have my deepest sympathies during this difficult time. I first met Barb when she and her family lived on Center St. in Platteville, WI. I believe we were both in the 8th grade at the time. After she moved away later in our freshman year of high school, I didn't see her again until 4 years ago when she and 4 other girls from our class knocked on my door and wanted to visit. I found Barb to be the same outgoing, fun loving girl I knew almost 50 yrs. ago. You are all in my thoughts and prayers. She will be missed. Mike Willis
