I remember when Benson was younger he used to be best friends with my two grandsons Ezell and Trey Boothe. He would be over at our house a lot and he was always a very nice and respectful young man. I'm so sorry for your loss ❤️

“ I remember swimming in out pool hanging out and thinking my nephews hair is so cool. And how much I wished my hair was half blonde. Lol I will miss him dearly but I know his father will be with him now up in heaven. Love you all and my condolences and sympathy. God bless.

I can't even count the number of times I was asked why I dyed his hair when he was just a toddler, like who does that??? He was just super cool 😎 and I think it was about 4th grade before I realized they were touching up that spot in his school pictures thinking it was a lighting issue... I was like stop it please!
