Bob my sincere thoughts and prayers are with you, your sons and entire family as you walk through this journey of grief and sadness. It is so difficult when your loss is someone so precious to you, as Bessie. She has been a part of your life for so long that it seems unbearable to imagine going through a day without her. I know that it won't be easy but your Faith, your inner strength and most of all, the Power of God's love will carry you through. Family; embrace your memories and lean on each other for comfort. Please remember that you have so many friends that truly care about you, share in your loss and will be a shoulder to lean on. God bless and comfort you all.

*Sincerely
De Borah Vaughn*

“ We are saddened to learn of the passing of our cousin Bessie Caston. Our fondest memories are the fun and gatherings of the annual Burris family reunion. As we traveled from host city to host city it was always a great gathering of family. Aunt Bessie McGinnis (mother of Bessie McGinnis Caston) was the Matriarch. We had lots of fun and was always meeting new cousins to the family.

We will keep the Caston Family in our prayers.
