“ Brenda,
After many, many years we re-connected through Kelly. I am so grateful that we got to know each other again. I will miss our phone conversations and your honest opinions of life, people and things. I am glad I had the opportunity to see you one last time to hear your voice and to say good bye. I will try very hard to keep my promise and to "look out for Kelly." You have a fantastic, loyal daughter and should be proud.
Well, Brenda, I hope you are up in heaven partying with all of your friends and family that you have lost. I only ask one thing, while we are praying for your souls and all other souls, you watch over all of us and keep us safe, especially Kelly. Marley & Brittany (dogs) miss you a lot already. xoxoxo

“ I remember while attending college, in Battle Creek, MI. I would stop by to do some homework, and Ms. Brenda would make sure there was sweet tea made. Before I would leave to go to work, she would always ask me, if I wanted something to eat. Even if I said no, she would make me eat something before I left. She stated:"You need to keep your strength-up,especially working were I was, that it was Very Important."Who could argue with Ms. Brenda? I could not! She always asked about my mom,Patricia Sprague, and my children. She always made me feel loved, and a part of the family. I LOVE YOU Ms. Brenda! She will be missed, but I know I will see her again in Heaven, with open arms.

“ Miss Brenda was the most thoughtful woman we have ever met. When you walked in the door you were always greeted with a hug, kiss on the cheek, and the comment "Let me get your coffee". She cooked the most fabulous dinners and would hardly ever let you help. I'll miss her calls about what store had what sales. What a beautiful person. I will miss our "talks". Spread your Angel Wings girl!

“ I have so many wonderful memories of Brenda, one that I always tell people& laugh about is when Kaylee was born & I came to MI to help Kelly, it seemed like all we did was cook & clean, in my simple mind to make things easier I asked why we could use paper plates instead of dirtying every plate in the house. I will never forget her response, I'm not going to say her response but it included SOB - LMBO!!! I LOVED BRENDA!!!!
