Brittaney was my best friend, my sister. Life without her feels unreal. I know her spirit is all around me guiding me, all of us that lost her too soon. I will never forget her. I will forever honor her life. We had so many plans and I vow to accomplish every single one of them for her.

“ Brittany and I had the privilege of working together for two years, and in that time we shared so many wonderful memories—both at work and beyond. This loss has truly broken my heart. She was an incredible soul, always full of energy and such a joy to be around.

My deepest condolences to her family and friends. I'm keeping you all in my thoughts and praying for peace, comfort, and strength during this difficult time and in the days ahead.

My Pisces sister, you will be truly missed. 💔
