“ My favorite memory of Carol, is when we used to just sit at my house and talk catch up on old times,we're going to miss you dearly sister. We lost an angel, but now you can look down on all of us and make sure we stay focused & safe. We're gonna miss you sooooo much.

“ Carol lived her life as a free spirit. She laughed, sang and danced just for the fun of doing it. She enjoyed her life and her family and even though times may have gotten hard, Carol always had a smile and an uplifting word when it was needed. I personally will miss Carol greatly. She was a friend when I needed one and a grandmother to my daughter. She loved all children, especially her grandchildren. Her face lit up just from being able to hold them. May you soar among the stars and rest beside Heaven's Serene Pool of Tranquility. You lived your life as a free spirit, Carol. Now may your spirit be free. We love you and will greatly miss you.

“ I remember combing Aunt Carol's hair when she used to babysit for my sister and me. Aunt Carol had a good heart and always had a hug ready when ever I saw her. I didn't see her that often after she moved away from Covert, but I always enjoyed sitting and talking with her when I did see her. Aunt Carol, you will be missed.

*Love you,
Dawn Marie*

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Just remember our lost but Heaven's gain.

Love you all,

Mookie!
