Major U.S.A.F., retired, passed away Thursday, April 12, 2012. He was born August 16, 1922, the son Charles and Margaret Alexander in Erie, PA. Charles loved airplanes ever since his first days in the military, which stretched from WWII, Korea and Vietnam and ending in his retirement from Michigan Air National Guard as Major Alexander. Later, he earned a Master's Degree from EMU and taught in public school systems and was a Professor of Education at EMU. His teaching career with union activities helped hard working teachers get some common rights as workers. Charles would later become a field representative for Michigan Education Association (MEA) and the Executive Director of Kalamazoo City Education Association (KCEA). In the early 1980's, as MEA's Senior Political Consultant, he stood his ground to protect teacher's rights and dream makers of our children. He always fought for political fairness and for the rights of students, teachers and families of public education. Charles had many interests, and his family was the most important aspect of his life. After his retirement, he cared for his family and did a lot of fishing!
