Full of life and attitude He did everything in his being to keep a huge smile on my face as i was able to do for him. We traveled as a team all over the state of california, sometimes having to camp outside together, protecting him and him protecting me,.. He was very addicted to the casino so we constantly drove to the casino.. I am hurt and upset he is gone... we had a argument a few days before.. i was mean to him... not even thinking for a second he could be gone totally days later.. my heart nearly burst knowing he was so far away from me and had passed... I am just now able to speak... i cant believe this.... i cannot believe this... I love u charles king... my baby RIP..... i really need u back*
