“ I can't believe you're gone. It hurt me to the core, when I learned that you were no longer here. I apologize for being absent in your later days. You were the BEST babysitter to my girls. Jasmine still remembers you and she too didn't know you passed away. God I wish I'd kept in touch with you. I was going through a rough time and time just slipped away. Please know you are an Angel in my heart, and I'll keep your family in my prayers. I saw that you have a daughter and I think a son also. My prayers are with them as well... I love you and until we meet again, you will ALWAYS be a piece of my heart. ❤️🙏
