“ *Cora has been my friend, and I hers, over the last 4 years. She was a God-fearing woman and a kind and loving Grandmother. Cora and I discussed our joys and struggles, but always, always, had much laughter and positive thoughts for the future. I miss my friend, Cora, and will keep her and her family in my prayers.*

“ To the family of my friend (Becky) I too will miss her smiling face. Becky was always so kind to me . I was at her house this past summer what a great time we had talking about the old day's and how far GOD had bought us from. It saddened my heart that she had so much church hurt, we as people of GOD should watch how we treat people in the name of GOD because she was truly an ANGEL. Teresa and family may you all be covered with the love of God's protection. Jean Walker
