I am so sorry for your loss, Dr. Peck and family. Mrs. Peck was always so nice when she came into the office and always stopped and asked how I was doing and she was always smiling (and what a beautiful smile!). I love the video and you can see from this video, how much love there was in your family! My condolences and prayers are with you all today and in the first to come - birthdays, holidays, anniversaries and in the years to come. God bless Cynthia and her family.

“ I am so sorry for your loss. It breaks our heart when death separates us from the ones we love so much. The bible reminds us that soon, "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 6:40) I hope your beautiful memories of Cynthia and these promises from God comfort you in the days to come.
