“ By far this has been the longest 2 weeks of my life. I say this with a heavy heavy heart that I miss you dearly Nephew. 🤔😭🥺 When tears well up, I'm thinking of you, when a certain smell comes about I'm thinking of you, when a song on our special playlist comes on I'm thinking of you, when I wait for the phone to ring for you to ask me if you and "G" can come over so you can get a few twists to the back I'm thinking of you, when you are laughing at me and your uncle (AL) because we are going back and forth and you tell him "Alright Unk Tt bout to put you in dat Bacunthun ☐ you betta leave her alone (LOL)" I'm thinking of you. There are so many reasons that I could be mad, angry, cuss, choose to be furious or even place blame but that solves nothing and gets no-one anywhere. I choose to remember what we had as Aunt and Nephew because it is so special, no-one and nothing can ever take that away. You were spunky, joyful, helpful, adoring, kind, peaceful, hard working and a proudful father to your children and so much more. Your memories live on through each and every person you have come in contact with in your time here on this side of heaven and Tt is so so so PROUD of you. I Love you beyond mere words, and I rest well knowing that even though you aren't here with us in the flesh that you are resting well with Aunty Linda our Big cousin Penny and Tators. No more sorrow, No more pain, heaven truly gained a soldier by the name DaQuarion "Manky" Bell until we meet again fly high and look low my sweet sweet nephew....
Love Aunty Nune 🥰
