“ *I had the pleasure of knowing Daisy for many years. She was a devout Christian and a woman of great character. We worked together for many years. During those times I was able to witness her strength, hard work, and love for her family. She had a way of getting her point across without ever raising her voice and she was very much respected. It was a pleasure to know her and she will sorely missed. -Sondra*

“ *Aunt Daisy she was the Aunt who came to Milwaukee driving the latest and greatest vehicle. She was ready to get her SHOP on! She, Aunt Paulean and my mom had some wonderful times. There are SO many memories, celebrations and tons of cooking for birthdays, holidays and just because! The last time we saw her in Virginia we had a marvelous time with her Uncle Ben, Aunt Paulean and Auntie Inez, now they are all in paradise! RIH Aunt Daisy you lived life to the fullest!!*

“ The person who left an unerasable mark in my mind and heart was my beautiful stepmom Daisy Dunning. I met my stepmom 60 years ago when I was 7 years old. There was love at first sight. She taught me right from wrong. She is the one who showed me love. When I was sick she comforted me. My stepmom taught me what it takes to be a mom. It’s about loving, persevering, forgiving and hoping. Her absence will never be filled, but her presence will never go away. My stepmom will always be with me, my beloved mom Daisy.
Her tremendous love and life lessons she gave me will guide me for a lifetime.
To my passing stepmom, I give you my eternal love and gratitude. I deeply love and will cherish forever. My heart is broken. The emptiness I feel will never be filled. My dear mom ❤️
