“ *Daphne and I grew up from childhood together. As classmates she and I. with Carolyn Johnson caught the 77B bus to Peabody High School - where I graduated from in 1969. I am so sorry I didn't have the chance to speak to her before her passing. Your family has my deepest sympathies.*

“ Dear Aaron and Family,

Please accept my sincere sympathy for the great loss of your beloved Daphne. I enjoyed working with Daphne for many years and will miss her great sense of humor and laughter. She was known for her great love for Penn State and would constantly enjoy bantering with my former manager who was a U of Michigan fan. Her beautiful smile and her caring personality were wonderful attributes that will truly be missed. She would go above and beyond to help others. It was a pleasure to know such a kind soul. May she rest in peace.

Kind regards,

“ To the family of Daphne Berry, I am so sorry for your loss. I had the privilege of working with Daphne for many years. She was a wonderful ray of sunshine, and frankly there's just no other way to describe her. She was unfailingly cheerful and positive, and her laughter! Oh her laughter! I'm sure heaven is even more joyful with her presence! I switched departments a few years ago and haven't been able to see as much of Daphne as I used to, I've missed her. I will now miss her more. May God comfort you all with wonderful memories of Daphne and may we all look forward to seeing her again when we all meet up in heaven.
