“ To DeAdra’s family,
I was sorry to learn of DeAdra’s passing and I am very sorry for your family’s loss.
I have known Dee for the last six or seven years, and she was always so warm and friendly every time we met. I loved her smile and her laugh when we got together. I am grateful that we met as she was becoming a good friend. Dee was a very caring person and always asked how we were and how things were going.
I was blessed to meet several of her family members during these last few years.
I listened to her dreams for her family and for her career and her plans for a new home. She was devoted to all of her family members near and far, and she was there for them whenever she was called.
Rest in Peace, dear DeAdra, you will surely remain in the hearts of many, many people!

“ I am so very very sorry for your family’s loss. 💙🙏 I have only known her for such a short time but we were instant friends and I was hugely blessed by her friendship. She was a true prayer warrior and I thank God every day for putting her in my oath that day we met at Ulta. I will miss her and our prayer times so very much. I will be keeping all of you in my prayers. God bless 💙🙏
