“ As one of his prior teachers, he recently reached out to me via text asking if I remembered him. Of course! I was so proud of him and seeing his beautiful family. We were starting to talk a bit, thinking of fun times, so I was crushed to hear he passed. God must have some mighty big plans for him to take him from us. We will do our best to move forward but I will never forget our stories, the kindness and open mindedness toward new ideas. Rest up DeAndre, see you later, and know you are loved.
