“ To the family of Demetrus Betts. I had the pleasure of meeting Demetrus one day as I was walking up the street. I live up the street and Demetrus would pass by several times. He would always wave. I stopped and chatted with a beautiful young lady on the porch. I told her she had such beautiful hair....Demetrus was sitting there and introduced himself as we were chatting. He left a lasting affect on my mind. He was such a polite and just nice young man. He had a big smile on his face. I had been meaning to stop in again to say hi to all of those pretty little girls. I wish I had. I'm sure Demetrus would have been there. I knew he was special.... I just had a warm feeling about him. I am so sorry for his loss. God has welcomed another Angel into His Kingdom... with open arms. I am praying for the family. May God wrap His Arms around all of you and comfort all. REST IN HEAVEN DEMETRUS... God has planted another beautiful flower in His Garden.
