“ I am so sorry to hear of Domingo's passing. I worked with him at Pemco back in the late 70's to 1990. He was such a nice man and would always come over to my work area with a joke or two or just to say Hi. I often wondered about him and again, I am so sorry to hear of his passing. May the good Lord wrap his family in his arms and give you comfort in the days , weeks and years to come. God Bless.
