“ One of the nicest guys I went to school with. I can't even start with all the things I remember about Dwayne. I ran Track with him since Jr. High School. He was a great shot putter and a great athlete. I remember the bowling league in Jr. High. He would release the bowling ball and when it hit the pins it looked like they exploded. He was fascinated about how far and how long the distance runners would run. He would ask where we went and what did we see on our runs and just smile and say "I wish I could run like that." I would tell him that with his strength he could throw anyone around like they were a wad of paper. He would just shake his head and say "No, what you guys do is really something." I am truly saddened by my old friends passing. Prayers to his family.
