“ *This is Elizabeth Jefferson and I been known EddieMae Wright for many of years. She has been there for me when I needed a friend or help me when I was going through a sezure, and most of all just laughing and having fun with each other. To her family I'm so sorry for your loss. I just found out about this, I wish I can be there for her. But I just got out of the hospital, I fell 24 feet and broke my spine and thank God for that. I will pray for your family. She was one of the best friend I ever met ❤️. Love you baby girl, and see you soon if God is able 💖. Love Elizabeth Jefferson*
