She remained a faithful member, serving in the culinary ministry for many years and more recent under the leadership of Bishop Dr. Michael T. Scott, Sr.

She was employed in the Kalamazoo Public Schools as a Chef. She enjoyed working with the children in the school system and also with the staff.

“ Edna was one of the first people I met when I moved to Kalamazoo in the late seventies. Her kids and mine attended the same schools and they got to know each other. We spent many of days laughing talking shopping and just hanging out. She was extremely helpful when I bought another house and had to strip wallpaper from the walls. She was a hard worker and didn't mind helping whenever and wherever she could. I introduced her to many of my friends and family. They too became a part of her life. We will always miss her willingness to be there and do what she could. How can I forget her style of dressing. We know that girl love to dress. She will forever be in my heart.
