“ My brother always locked doors and windows. I remember I was taking the garbage out and I told Ed I'm about to take the garbage out. Don't lock the door. as soon as I put the garbage in the can, I walk back to the door he locked the screen door, and I just stood there shaking my head and knocking on the Door and saying .., Only Me 🗿♀ I told him I was coming right back 😊😊😊 he said “ I didn't hear you with a smirk on his face 😊😊

I will miss you, big brother. You have always been there if we needed you. ❤️❤️❤️

“ I remember when Edward and my older sister Willie and I used to live together and I came in his room crying because I needed a wisdom tooth taking out my mouth and I asked him to take me to the dentist, Of course he jump right up to take me so, as he was driving me to the dentist, He looked at me because I was rocking back-and-forth and he said “ Are you OK Na? Hi said yeah shaking and sweating and then he said you don’t look OK. You look like you’re about to pass out and start laughing. Which made me laugh.
