“ First off my deepest condolences to his family..Ive known his for a short while, mainly trying to recruite Ed to play football there in Bullhead for our local semi pro team. Lol after many failed attempts at that..he had finally agreed to play, however, he had gotten hurt at work..and again couldn't play. I always chatted with him when i saw him, i was always at walmart, very good and down to earth guy..i wish i could have spent more time with him he was a good guy with a big heart.

“ Ms Angie and family, they say "it is during our darkest moments that we must focus to see the light" please find a place inside where there's joy and it will help burn out the pain. Although it's difficult today to see beyond the sorrow. May looking back in memory help comfort you tomorrow. ACE

“ Edwin made a decision in 2011 to move from Michigan to Arizona, to make a home for himself, Gloria, Dominic and Alecia. Together they built his dream and were working towards a wonderful future, the one he planned and worked hard for. He was a wonderful Father, and shaped his children's future that forever will be with them. He loved and cherished my daughter as she did him. There are too many memories to share, too many wonderful days and years. We all miss him daily, he was taken from us all too soon, but what he leaves behind are all those memories, his love for life. His steadfast patience like none I have ever seen. His kindness and that smile that just made you know things would be okay. To all his family in Michigan and Arizona we give our deepest condolences, but all those memories will live forever as we will keep him alive in our hearts and memories. Rest in peace Edwin. You are missed.

Always in our memories, behind the tears, are smiles when we remember the good times.

Love Linda, Fred, John Campbell, Heidi and Mark Espinoza and the rest of your family out here.
