“ *My cousin, June, I will always remember how you would lean in close and share a story then that laugh afterwards, you were always quick with that laugh, and your beautiful red curly hair, Growing up our families were closer than any and I will always hold you dear in my heart. I always remember as a child your best friend and close playmate was my sister Clara, She will be there to welcome you with open arms, As is Cecil and Carol who also passed on this year. I can imagine you are now the person that remains in my hearts eye, Love you RIP. sweet woman.*
