“ *Dearest Carla, you and your family have my deepest sympathies. I will remember Eric with great fondness. It was good fortune that it was you and your sweet son who lived next door and our children would become good friends and even have each other for their first day of school, They had continued that friendship into adult life looking each other up on Facebook. Please know that I am praying for you and your family in your loss.*

“ Carla,

My deepest heartfelt tears go out to you. I am heartbroken for you. A mother should never outlive their child but sometimes God has a different plan. I am sending you many hugs and know you have many friends here at the bank that you can lean on. Eric was the sweetest kid, as you know, and was always so polite and happy when I saw him. Know that we are all here for you.
