“ *My condolences Mike. I remember Ernest (Doochie) would hangout with my brother and I would tag along. Serious man too. I enjoyed playing chess with him and our conversations. RIH*

“ *My brother Ernest or Doochie as we called him, was his own man. He never conformed to what anybody thought he should be. He had very strong opinions and would expound on them if you let him! He loved to laugh and joke around! He was a man who lived a very quiet and simple life. I loved my brother even tho our relationship grew apart. I will never forget those times when we were close.*

I am so sad to see that Doochie is no longer with us. Doochie an I played together on the 4th ward play grounds and in my home and yard on 5th ave. and His on Washington and 4th ave. He was one of my best friends, I have been trying to find Him for the last 5 years. After He moved away when his Mom & Dad I was told started a cleaning service in Kazoo. Tried to stay in touch but did not work out. I will miss Him, there was nobody that could smile like Him. So sorry I could find Him still with us and so sorry Cheryl, Mike, and Deb, that you loss a great friend and Brother. Jim Holm

“ My Brother was a very complex person growing up, it wasn't until later in life where are relationship got better. I'm glad that are relationship got better and that I was able to be there for him in his later yrs. He was able to build a life for himself, worked at Parker Hannifin in Otsego for 28 yrs. Retired with a full pension and 401k an accomplishment he was very proud of. I was happy for him on how he turned his life around but saddened on how he couldn't enjoy it. RIP HEAVEN BROTHER

I didn't know your brother all that well Mike but he was always friendly and kind to me. He was a quiet but serious man. He seemed so mature and much older than us though we were only six years apart. My God rest his soul.

My name is Carrol T Blair, and I had the pleasure of knowing Ernest Joseph. He was a nice man, we had great conversations when he was in the hospital at Borgess. He always told me he was going to try to come to my church, Allen Chapel A.M.E, he never made it. R.I.P, I will remember you for your kind spirit.

“ *My earliest memories of Uncle Ernest were a blur of Thanksgivings & Christmas football games with he, my uncle Mike, and Grandfather shouting at the TV. That's what I remember and loved most about Uncle Ernest...he was certainly passionate...about E-V-E-R-Y-T-H-I-N-G...passionate and opinionated...you could be certain he'd let you know...you was gone learn today Jr...whether you wanted to hear it or not.*

My uncle was a beloved son, big brother, protector, and Always Faithful... Semper Fidelis...a Marine. While some might have called him a loner...and even times misunderstood, he was certainly always loved by his family, as much as he, time, and distance would allow.

I miss laughing with you Uncle, until then...

“ *Condolences to his family. I knew Ernest since we were 5 years old. We went through grade and high schools. There are so many memories I couldn't list them all. His infectious smile and loyal friendship will never be forgotten. Be at peace my friend.*
