“Glo, I just heard today about your passing...It breaks my heart. You and I had so many deep conversations sometimes all hours of the night..I will never forget the amazing things you said to me and how much better you always made me feel. You seen me in such a beautiful perspective and I never understood how someone I had just met knew me so well. I'll miss our almost midnight snacks and getting woke at 4am to hook up your breathing machine and getting you cups of koolaid and making it just right lol. You know I'll always be your favorite jail THOT lmao, love always ...Anna Mae ❤️❤️
