“ I have so many fond memories with Heather. I am only finding out about her passing this week. Two years later. My heart is broken. I miss her so much already. We were friends in high school and also lived together in College. I last saw her just a short while before she passed. I had no idea anything like this was coming. I pray you have peace now my dear friend.

Love you,
Kari Lenon

“ Heather, I don't even know where to begin. we go back 19-20 years Northglade family we ROCK. Wow this one really hurts. The love you have shown both of my children, the love you showed me when I lose my brother. Your heart was bigger than your laugh. you brought life to the building and joy to everyone around you. You had so much Love in such a short (LOL) body. I can say that because I think I was finally taller than someone. Ya'll be missed my friend. until we meet again. Rest easy.

“ *I used to have so much fun working and laughing with you at Northglade. When you worked in Will's classroom and gave him the love he needed, we both fell in love with you and your heart. You will be missed!*
