“ *Dear Latricia and Franklin, I am so very sorry for your loss. Jayden was a real sweet boy, and I grew very attached to him. I took care of him and his brother Jaylen when they were very little and then again when they were getting chubby and growing in their cribs. He was a real fighter, but the struggle became too hard for your dear boy. I remember being surprised at how he loved his tub bath. I thought for sure he would have an attitude, but he really relaxed and looked happy! I do hope that you take some comfort from the memories and photos of your dear boy. I know he will live on in the hearts of his loved ones. With my sincere sympathy, Carol Kurtz, one of Jayden's night shift NICU nurses.*
