Whenever someone brought in cookies or cake it only took under 10 minutes and John was there. We never knew how he did it but he kept us laughing. So sorry for your loss but heaven has gained a great Saint. Mona Kerchner-Pyret.*

“ *Madeline and family. I am a golfer that was blessed by John’s smile and quick Witt. The game was never more important than stopping to josh with John. We had a great mutual respect as people who liked people. I know you will miss him, but take heart in the fact that you will see him again. Remember all the great times and that smile. I will be unable to say good bye due to a recent knee replacement. I would ask you to consider putting a golf tee in John’s pocket for the journey. St Peter has a fondness for golfers because we keep coming back for more. I will be signing up to donate to John’s scholarship fund. What a wonderful way to keep his memory alive. “ When I was a little girl spending summers in Kalamazoo, Uncle John took a special interest in my getting to know my paternal side of the family. That meant a lot to me during those years even though I could not articulate why at the time. I came to realize the significance of this after having children of my own. There have been numerous times when I intended to tell him how much that meant to me but always put it off for another day. Unfortunately I wont get that day but I have to believe that he knew my heart because his love for his family has always been unconditional.

*Rest my dear Uncle, I will miss you more than you could ever imagine. Say hi to grandma & grandpa for me.*

“ I will always remember how wonderful Bro. Zackery was to my Papa and I when we had a layover in Arizona....we were on our way to Alaska to bury my sister, we had about 7 hours and Bro. Zackery being the wonderful guy he was, picked us up from the airport and took us to his house. We had a great time, food, laughter and Sis. Zackery gave me the guest room where I could rest. You don't get this kind of treatment all the time. A true example of what Jesus would do, I love the Zackery's...Now you and Papa are together....keep a watch over me down here.

*To the Zackery family: We were very sadden to hear about another dear cousin gone on to be with the Lord. Madeline and family, our prayers and thoughts are with you, and we are praying that God wraps his arms around you all with his great love during this time. The Zackerys have always been some of my favorite cousins whom I have always been proud that they were members of our big Moss family. You always set great examples of what family is all about; you were always very supportive to our Moss functions. I was always very excited every year to see you all when I was growing up from your long drives with the family to Arkansas and to all of our past Moss reunions. We will greatly miss John but his examples of family & love will live with us forever. May God continue to bless and comfort you all during this time. Love your cousins, Judith (Judy) Hall and family Toccoa, Georgia*
