“ To the Best Friend I've ever had Ida Stafford..... Your mom....Mae,was like everybody's mom. I remember the first time i came to your house and she scared me. lol but after just a few minutes she was treating and talking to me like i was family and she ALWAYS made me feel at home. We had lots of talks, just me and her. She told me like it was and what I needed to do. She was the Mom i wanted :)) she was just coool like dat! I love her dearly and miss her much. The way she excepted me and Nuter (later TJ and PooPoo) was amazing. Nuter always called her his granny. Tuter you are Mae's clone. You have always been there for me and my kids NO MATTER WHAT... You stayed a friend/sister from day one.I want you to know that I love you dearly and will do whatever for you.With that said.....The apples dont fall far from the tree!! And knowing you like I do.....Aint no shoes to big for you to fill...so do what you do and stay on Gods team....Lil Mae!:) Love Always Debra, Mario, Terry Jr. and Shaniqua..

“ Aunt Johnnie was always very special to me and my brothers and sisters! I remember mom and dad taking us to our cousins house when we were little to play at "their" playground. I thought it was very special that they had their own playground right in their own side yard and they had just as many kids as we did!! There are so many fun times I remember just getting together. The kids would play from sun up to sun down and the grown ups did their own thing. I especially enjoyed going to church occassionally with Laurie and Babes. To know Aunt Johnnie was to know that she always had open arms for you. I love you and I miss you and I know deep in my heart that you Aunt Johnnie are an Angel from up above looking down upon us and keeping us all in line on "your play ground" once again.~ love, Missy
