I got to know Rev. Anderson during the times we would see each other at UofM. I was in treatment as he was completing his. He was very proud of his children and a dedicated husband until the end.

“ *I briefly met Pastor Anderson about a year ago. His kind face and calming presence drew me to him. During our short conversation, I knew God blessed him with great compassion. I am so grateful that our paths crossed and will think of him with a smile on my face. He is truly a blessing to us all.*

“ We are so sorry Josie, the children, and Joseph’s entire family must endure this tremendous and sudden loss. It is comforting to know that Joseph is now in the arms of God, free and whole. May God bring comfort, peace, acceptance and love into the hearts of all who love Joseph and must now live on without his earthly presence...except in the lives of his amazing children. What a legacy Josie and Joseph created. With our love and deepest sympathy to all, Linda and Kit Lirot and Family

“ *Brother Joseph and I have been colleagues since I met him in the late 1970s. His kindness, generosity, and advocacy for others were traits that kept us engaged during the challenges of trying to get city contracts for minority contractors and minority vendors. That challenge convinced me of his trustworthiness and his love for the real African American history of Kalamazoo. We saw the struggle and let me in to be a part of it always interpreting our actions based what God was doing in our lives. He will be missed. He has run the race faithfully and may God welcome fathful servant.*

“ I reconnected with Joseph at our class reunion last year. We had a wonderful time chatting for quite a while and played catch up on our lives. We had intended to get together, but that never happened. Our lives got in the way. I was glad we at least had that time together last year, and will remember him always as my friend !!
