“ Things just won't be the same without Aunt Jo. She was always right by Granny Clara's side. My kids still haven't forgotten when Granny Clara and Aunt Jo took them to Sonic to get some ice cream. Aunt Jo kept telling the kids to be careful with the ice cream so they would not waste it in the car. Can you guess who was the first person to waste their ice cream? Yes, it was Aunt Jo! Although she was small in size, she had a heart as big as Texas. She will be greatly missed by all who knew her. We love you, Aunt Jo!

Your nieces and nephews,
Dimples, Ashlyn, Reuben, and Martez
