Reaching out to you, Allie. Your mom was always so good to me, fed me good, made me laugh, and was always like a mom away from home. She is definately God's people and will be watching over us now. I'm so blessed to know her and to have these special memories of her & your family. My heart goes to you, dear friend. Big Hugs! Miss you very much.

“ *My favorite moment about my grandma was when she took me to the hospital to give birth to my first child. She stood by my side and never left. She was a great woman who showed tremendous amount of unconditional love for her family and friends. She loved to cook, listen to her jazz music and dance. That there, is enough to put a smile on anyone's face.....I love you, grandma, forever and always...Nicole Lesher(Whitfield)*
