

Mr. Kenneth Johnson

May 24, 1950 - November 19, 2014

The Sun rose May 24, 1950 for the birth of Kenneth Alexander Johnson, and with the procession of all life, the Sun set for his passing on November 19, 2014.

He was born in Greenwood, Mississippi, the son of Lee Willie Johnson and Beatrice Hampton. He is the brother of Gail Williams, Jennifer Russell, Lillian "Faith" Grant, Felecia Sanders and Aaron Johnson. Former husband of matrimony to Carolyn I. Johnson. Father of Beniam Alexander Johnson and Grandfather of Jesse Alexander Sanchez and Carmen Renee Sanchez. Last but not least, beloved care taker of his cat the late Princess Leha, who he now joins in eternal peace.

Kenny "Ice" Johnson's life and legacy will be remembered and cherished by people from all walks of the community; including co-workers of Graphic Packaging, partners of Eastwood Bowl, and various friends he made as a regular customer at Theo and Stacey's and the Sports Forum. He will be missed but commemorated in our thoughts, laughter and prayers. The working man is off the clock!

“ *Ice was always someone we looked forward to seeing at Eastland, with his warm smile and personable demeanor. He never seemed to have a bad day or complain about anything. He always brought a laugh to bowling night and made your night a little better. Bowl on buddy!*

Kenneth Alexander Johnson, my friend of many years. You along came to me from your grave notifying me of your demise. Yes God is good all the time. When I dropped my cell phone, without dialing a number: on my screen came your obituary notifying me of your death. Dear friend thanks for making that last call. My Love & Strength. I know God blessed you. Jackie Nevitt. 213-255-0905.

“ Although we have been apart...you have never left my heart.
We have always remained friends...and I'm saddened that this
journey is going to end.
You were kind and loving and would have given me the shirt off your
back...
It's not often you meet someone with qualities like that.
Hearing of your illness has left me stunned...
You have been called back home, your work here is done.
I will cherish our memories and keep them close...
They will help me through the times when I miss you the most.
Your contagious laugh, your twinkling eyes...
It's so hard to believe that I have to say good bye.
You never judged me, and still always gave me a hug...
Your arms will still be around me, just coming from above.
You will be my guardian angel, just in a new place...
With a watchful eye, helping to keep me safe.
I will remember the fun times, and your warm kiss...
You are an awesome friend, and you will truly be missed.

I will miss meeting Kenny at the nursing home, seems we always ran into each other visiting our family members. He was a good son, I loved the way he enjoyed spending time with his mom. Prayers going up for the family, may God give you comfort in knowing that he is in no more pain.
