To the Dunigan family you have lost a jewel however we know that his memory will live on forever. There has never been a time when I asked Kevin to help me out with a song that he said no. He knew how to adjust the key to your voice. He would play the organ as if the organ was singing itself. Take your rest my brother and I will see you on the other side. Dunigan family we will continue to keep you in our prayers. Love, Larence and Sherry Anderson

“ In the early 80s, Kevin was the organist and director of the Unity Choir at Second Baptist Church in Kalamazoo. I was in the choir at the time, and Kevin was so talented that every choir he touched became a magnificent chorus. In my opinion he was the most talented musician to ever grace any church in Kalamazoo. He leaves behind an incredible legacy of music, song, and inspiration. My condolences to the Dunigan family.

“ Kevin was born three days before my son Donald. I've known Kevin for 70 years. When he started playing the piano and then the organ. He became a professional pianist and organist. Playing for churches in Kalamazoo and other cities. I couldn't keep up with him. But thanks for cell phones. I could get in touch with him. When he changed his number he would let me know. I will always remember wishing him a happy 70th birthday. He said thank you sister Helen Mills Brooks. I smiled. He sees how I sign my name, when I lit a candle. You will be missed.

“ I watched Kevin grow up from the age of 7-70. We were neighbors for several years. He would come to the house and play on our piano with one finger. He developed into a good pianoist . We were like family in his earlier life. For his immediate family, you have our greatest condolences and prayers .
