“ Claudia, Keyshawn was so blessed to have you has a grandmother. All the love and passion you gave him. You gave your life so he could live even those it was short. With you he experienced a life time of love, patience, understanding and protection he lived a full life you introduce him to God, Family and traveling. So as he look down from heaven he now will be watching over you I pray you can embrace the love he’s now giving you and except that now he taking care of you. I believe if he could say anything it would be Thank you so much Grandma for loving me. You we’re the best.
