Beautifully done for a beautiful Lady. I worked with Kim in Baton Rouge. We were friends not just coworkers. Praying for you and MaKayla.

Kim was a remarkably gracious woman, in spite of the trials she faced during her young life. It was our privilege to have known her, even if for just a short time. Sending heartfelt love and prayers for comfort. Bro. Ronald and Sis. Annette Gipson

“ To the Boynton and Bolton families, my prayers and condolences are with you during this difficult time. This is a tremendous loss for all of us who knew and loved Kim. She was such a special person. Joe, you and Kim, were two of my first MSU students that I advised and supervised in OSS and I love you both. I have such fond memories of those early years. Makayla, your mom loved you. I promise to watch over you at MSU. You're a Spartan Legacy!! Please know that your circle of support extends far beyond what you know. I will continue to cherish my memories of Kim. Her smile, humor, and wit will truly be missed! May God continue to bless and keep you as you cope with Kim's passing!

“ I really don't know where to start. From the time of your birth we shared so much. We are exactly 10 years and one day apart, we shared the same middle name, Auntie named me as she named you and so many more memories. I'm going to miss calling you on your birthday and you calling me on mine's. I remember the time that I braided your hair and beaded with different colors. How you use to wake me up when I visited during the summer and how you always made me laugh. You're more than my cousin, you are my friend and my sister. This is not goodbye because I know I'll see you again. I LOVE YOU KIM! I've gained another Angel!

“ Kim, I am going to miss your beautiful smile and you calling me Nay-Nay. I can remember the times when you would come to Georgia and stay with my mom (Auntie Flossie), Renita and I. You were a great cousin, wife, mother, and an overall person. You will truly be missed. I am glad I had an opportunity to share some few last months with you over the phone and messenger. Rest on my cousin, God got you now. No more tears, pain, or hurting for you. God allowed us to spend some great times together and I am glad it were all joyous days. We loved you, but God loved you the most.
