“ *Uncle Leon*

Thank you so much for the smiles laughter and love you gave so freely to myself my children and my sister's. I'll cherish the last time I heard your voice over the phone when Papa held his cell phone up to his house phone so we could talk. I love you Uncle Leon.

“ *Leon, was one of my Krom Ave. Cousin's I would visit. One day when we were sitting out on the porch.*

A young man's stopped to talk to Leon I don't remember what he said.

Leon said to him with his choice words don't you see my cousin sitting here. I will miss talking to Leon on his cell and calling him on his birthday.
