“ Dear Bell Family, with deepest condolences that i can muster, or which come to the front of my thoughts from my heart, I grieve with you regarding the departure of your Patriarch and my dear brother inChrist and friend Leroy. He and i have been friends since fifth grade at Lincoln School. I will cherish the great memories from that time, and then the memories of the recent last few years. Leroy has left his image on mine and ellies hearts.

I pray that God, our heavenly Father, will be your rod and staff as you have and will travel through this valley of death, and into a “new normal”, without the physical presence of Leroy , but not without the precious memories afforded by knowing and loving Leroy Bell.

“ Father In law

I came Into your Family not knowing, I was afraid and nervous and you "Leroy" gently eased my mind, You made me feel comfort from the first day we met, welcoming me with open arms, And that I will never forget.
