“ My dear Uncle Lindsey... it was your birthday the day you passed, I brought you a piece a cake hoping that you could eat it. You were trying to say something to me , but you couldn't get it out...I really wish I knew what you were trying to say....I'm glad I got to spend time with you, see your face, and give you a big kiss on your forehead before I left....I'm going to miss you like crazy....i love you...rest in paradise...kiss mama and Betty for me.

“ *Lindsay was my best friend and my uncle. We would talk to each other every day and they would always put my day into perspective. All the thoughts that I had he was the only person I know who could make me laugh and make me angry at the same time, but be able to call me out and me get mad at him and be friends again*

I miss him wholeheartedly and he'll be a big presence in a lot of peoples lives. That will be missed.
