“ My sincere condolences to Min. Mark G Justice ,Matthew Justice Sr. Sons of Lois. To her family and grandchildren. She was a hard worker and did her best to support her family and friends. She will be missed by those who were close and had a relationship with her. She always enjoyed her Lays potato chips and a Coke. She was great about following systems to complete her job at work. If you could work on your own once she explained the procedure.she wanted you on her team. She believed in doing the best job possible. She loved her family. She will be missed.
