“ First Lady Bell was a sweetheart! I remember seeing her at the Black Arts Festival and her embrace was everything. I was helping Colorful Roots LLC and she saw some glasses and she loved them and her and Pastor Bell bought them and sported a black business. It meant so much and she left with a smile. Pastor Bell came to New Jerusalem Church in Three Rivers, MI and preached and I greeted them and her embrace is a signature it was never a dull moment with her. First Lady Bell take you rest and you will be missed.

Rest well Lori Ann!

“ To the Bell family & Lenzy!! Bro I am expressing heart felt condolences for the lost of First Lady and the love of your life. God has got you, you know that better than I, but to lose some one as precious and dear to your heart is most troubling. However; God has called home a queen and her crown has been polished to be placed on her head, tears will flow but keep your head held high because no mistake has been made, Lori is resting peacefully in heaven. May God keep you and this family at peace.

“ Cato's Boutique was my very first time having a heart to heart with Lady Bell. My father had just passed away and I heard that retail therapy is good. So, I went there and she said hello and we somehow got to talking about our parents and she share that she had lost her Mom that year as well and she share how hard it was for her as well, but ended the conversation by saying "with time and the help of the Lord, we will get through this." Lady Lori ministered strength to me this day and I will NEVER forget. In her own words I say to Pastor Bell and family "WITH TIME AND THE HELP OF THE LORD, YOU WILL GET THROUGH THIS."

“ I met Sis Bell at Galilee in the early 90s. I started singing under her direction of the Angelic choir, she encouraged me to lead a song for the choir. It became a regular thing from there, I have enjoyed singing, sharing and growing with her. Sis Bell became my friend and I am grateful to have known her, and have her a part of my life 🙏

“ So so many memories, I was a member of the gospel choir at Galilee and we shared so much, from musicals, to traveling on Sunday afternoons to other churches to choir rehearsal. Choir rehearsal was a joy, we would be there even past the time working on songs. The news of her transition came as a great shock. I’m praying for the entire family, Pastor Bell, the children, the Ledbetters, the First United Church family and the Galilee MBC family. Earth has no sorrow that heaven cannot heal. “ The first time I meant. First Lady Bell. Selena, and Lucille was @ April Goodwin Birthday party @ Milham park. Me and April went to Westwood and the went to Westmain Elementary. From there to Hillside Jr High School. Me and first lady had 3 things in common. First we were cute! with Our Afro We both loved to run track and liked to dance. Every Friday . I would meet up with her on Princeton st and we would walk all the way to. New Horizon or Oaktree Apts where the parties were @ Apparently Me and her had to get to the parties early, never once did we catch the Metro bus. Like I said we were cute so we knew we had a ride home. We had music class together. Ms. Simms was Our teacher. I got a B Lori got a A- She was not accepting that, but work it up to A before the school year ended . I alway had called her. My Girl. We would always embrace each other the same way no matter when we had last saw each other. While @ Hillside. Mr. Lyold Dean put together a group call. CC& Company Me and Lori was in for all 3yrs while @ Hillside. I never made the connection to the Gardners. My Great Aunt LouEmma Gardner was married to Elvis Gardner and my oldest sister father is Patrick Gardner so we were family all along. Later on in yrs We both were Employed by Western Michigan University. First Lady was a Wonderful Mother,Wife, Grandma, Sister, Aunt , Cheer Leader Coach and the best. Female Choir director. I have ever seemed. Every time My eyes was so full of tears when she was directing and I know her faith in God was so Amazing. If we were some where and I saw her before she saw me. I would alway come behind her and whisper in her ear. You look just like your Mother and I look just like mines. Me and her was alway so tickle about that. I have so many fond memories of you that will last forever. Get your rest First Lady

“ I remember Lori Ann choosing me at 6 years old to lead the kid's choir (I think it was called the Gospel Choir) down the isle to March up to the choir stand at Galilee Missionary Baptist Church. I was so scared and she reassured me that I would be fine. Lori always had that way about her, she could get you to do almost anything because she believed in you. She will truly be missed.

“ *My prayers and blessings to the Bell and Ledbetter Family and Friends...Lori, along with Lenzy, were 2 of a few that mentored me in gospel music early on in my Adulthood, and I then, became a choir director like them. I appreciate all the learned lessons that, then, also became apart of my Christian faith. Keep the choirs in song Lori. I know Mom greeted you with opened arms...Y'all singing it up now!! 🥰... Love you💖*

“ *Lady Lori Ann Bell will be greatly missed. She loved deeply and was so genuine and real. She could dress up & be classy & elegant and then get on her work clothes and get out on the yard and make that beautiful. Whatever her hands found to do in church or the community she pitched in and got it done.*

The heart of Pastor Bell trusted safely in her & she did him good and not evil. Her children rise up and called her blessed. Everything she touched was blessed. Our deepest thoughts, prayers, love and condolences are extended to her family, friends & church family. This is a tremendous & shocking loss to all of us. We deeply loved & respected her & we love all of you, too.
