“ I think of you all the time Mama Hall; everyday when i'm talking to Mary on the phone I just know i'm going to hear your little sweet voice in the background wishing me a Good Morning and a blessed day. I also miss us driving Mary crazy saying to each other: I love you more". I am so blessed to have had you in my life and thank you so much for sharing Mary with me throughout our 20 years of Friendship/Sisterhood. Kiss mom for me and tell here I miss and love her too. Love, Kisha

“ *Moma Hall I thank you for being apart of my life. If it wasn't for Mary being my Bestfriend I would have never had the pleasure of meeting you. From the first moment you met my mom; Roz and me we felt like we've known each other forever. I will never forget all the encouraging words you gave me during the loss of mom and my grandmother. You and Mary both were there for me and I can't thank you 2 enough. I thank you for loving me as if I was one of your own children. I will always cherish our laughs and talks on the telephone and you and I saying "Good morning, I love you, have a blessed day/night". Then we argue over who love who the most lol. We drove Mary half crazy on many of days but it was nothing but all love. I miss you terribly already. Know that Beulah, Mary, Betty and all your grandkids, great grands, nieces, nephews and all the lives you touched; your legacy will live on forever. Rest In Heaven Moma Hall. We'll all see you again one day. Love, Kisha*
