“ To Kim, Renee, and Family: You all have my deepest love and condolences on the loss of Duke.
I cannot imagine the pain you are going through right now, but please know that you are not alone. Your husband and father was a wonderful man, and he leaves behind a legacy of love and kindness.

Know that Duke is still watching over you all. We are sending our love your way at this time of sorrow. Words of comfort are just not enough at this time but the memories that Duke gave you will last a lifetime. Our deepest sympathies and prayers are being sent your way. Praying for peace that passes understanding to settle in your hearts. May the memories of your Duke give you peace and comfort. I am sorry for your sadness at your time of loss. The love of Duke can never be replaced.

Duke was a father figure for me during the entire time that he coached me while playing for Lady Fire and afterwards. The loss of Duke is heart wrenching, and it saddens my heart, but I know that the love and memory of him will get you all through day by day.
Love Sue
