“ I will never forget Manuel's laughter and the way he always made me laugh even when times were hard, he would always let me know that God is got me, and don't worry. I know I can not worry about him because, he of all is in a better place but, I sure do miss his laughter and words of encouragement. May God keep you and make me stronger to deal with all of this. Thank you for the friendship that was so true and honest hard to find friends like you Manuel. Love You and Thank You Audrey
