“ I had the pleasure of serving as Mar-Quis' Platoon Leader while stationed in Hawaii. I will always remember him as an outgoing, talented young man. His love for music, and talent was amazing, and we spoke often about playing different instruments. His bright smile and vibrant personality was something to be admired. I still remember seeing Mar-Quis out in the training area on a bright sunny Hawaii day, speaking with him while we snacked on an MRE. Mar-Quis, you are missed, and i still carry your dog-tags with me; you are not forgotten. Keep playing beautiful music up in heaven my friend, and ill see you again one day.

“ My name is Jonathan Elliott, and I have nothing but the best to say about this friend, brother, and fellow soldier. We enlisted together, and I remember all of us being nervous for what we were about to do. He was as calm and collected as anyone I have ever seen. He was a good friend of mine, of all of us at the Mustang RSP. He will be missed, but never forgotten.

See you in another life.

“ Bones, you will be missed more than you could have ever imagined, by more people than you know. You inspired those around you and the world mourns your absence. May God hold you in the palm of his hand.

“ Mar-Quis will always be in my heart, met him at Little Pine Island Camp first as a camper, than as a counselor. My son Dakota and him became really good friends and so when they were together I would have two sons. I will miss him and his creativity. Praying for the family.
