“ *Son, we love you so much. This world will never be the same without you!* ”

Thank you for giving us our grandchildren and making us the happiest grandparents in the world. We will pour all my love into the legacy you've left us.

When I said, the first son to give me a granddaughter will be my favorite son, you said, "Mom, I got you!" And for this, you will always be my favorite son! We love you!
